

# Reaching Out to Aspiring Doctors (ROAD) Conference

San Joaquin Valley's Pre-Health Conference @ **UCSF** Fresno

## Pre-Medical Student Day

### Saturday, March 8, 2025

The Pre-Medical Student day is designed to equip students with vital information, resources, skills, and networking opportunities essential for achieving their educational goals, with the aim of encouraging them to return to the Valley to provide culturally responsive care.

#### Who Should Attend

- SJV-MedBridge Students
- Pre-Med Students
- High School Students in UCSF Fresno Pathway Programs

#### What to Expect

- Network with fellow pre-med students
- Interactive hands-on clinical skills simulations
- Engaging panel of medical professionals
- Tips on telling your story for medical school applications
- Explore diverse paths to medical school

#### Priority Registration

January 7, 2025  
through  
February 2, 2025

\*Priority Registration Codes were provided to high school students attending K-16 Collaborative partnering school districts located in the San Joaquin Valley, as well as CMSP SJV-MedBridge students.

#### General Registration

February 3, 2025  
through  
February 23, 2024
